

## Chris Kamenoff induction into Tennis Hall of Fame - from her CT families

Way to go Chris!

We are incredibly proud of our aunt Chris Kamenoff as she is inducted into the very first class of the Anne Arundel Tennis Hall of Fame—a recognition she has truly earned. Throughout her life, Chris's devotion to tennis has uplifted the sport and served as an inspiration to all of us.

Her unmatched passion for tennis is bar none, and we deeply appreciate the energy, dedication, optimism, and wisdom she has generously offered over the years. Not only did she support Ann Arundel County Tennis, she also made a significant impact on the Connecticut tennis community.

We always looked forward to teaming up with her or watching her play tournaments when she visited. Whether playing, cheering from the sidelines at Connecticut tournaments or offering post-match insights and encouragement, Chris's unwavering belief in each of us fueled our love for the game.

Her remarkable influence on tennis will endure, and the warmth, joy, and encouragement she brings—both on and off the court—will be remembered for generations. Today and always, we celebrate you, Chris!

With love,

The Suzio's and Fahey's - your proud nieces, nephews, sister-in-law and extended families
